

Stop the Navy's takeover
of our community
high school!

Save Senn!

Come to voice
your demands to
Alderman Mary Ann Smith

NOVEMBER 9, 2004

4:30pm: Meet at the Senn High Courtyard for march

**Why not bring a
placard, friends
or ideas for
chants?**

Also, please call
Alderman Mary Ann
Smith at 773-784-
5277 to tell her about
your opposition to
the Navy's plans to
occupy Senn!

- This will disrupt Senn High!
- We don't want a military academy in our community!
- There has been no democratic process!

Alderman **Mary Ann Smith** and the **Chicago Public Schools** want to put a **Naval Academy** in Senn High School in 2005 that would **take over a wing of the building, more than a third of the school's science labs, and many of its best classrooms.** The Navy would also crowd out several crucial programs, including the **Junior Academy** and the **International Baccalaureate**, which awarded more diplomas in 2004 than any school in the city after Lincoln Park. As **students, teachers, parents and community members**, we need to **send a message** to Alderman Smith that we don't want the Navy **disrupting our school!**

Go to www.savesenn.org for more info and to get involved.
