FRIDAY, NOVEMBER 11 • 1-3PM

DEMONSTRATE AT

SENN HIGH SCHOOL

PROTEST IN THE PARK BEHIND
SENN HS, ARDMORE AND RIDGE

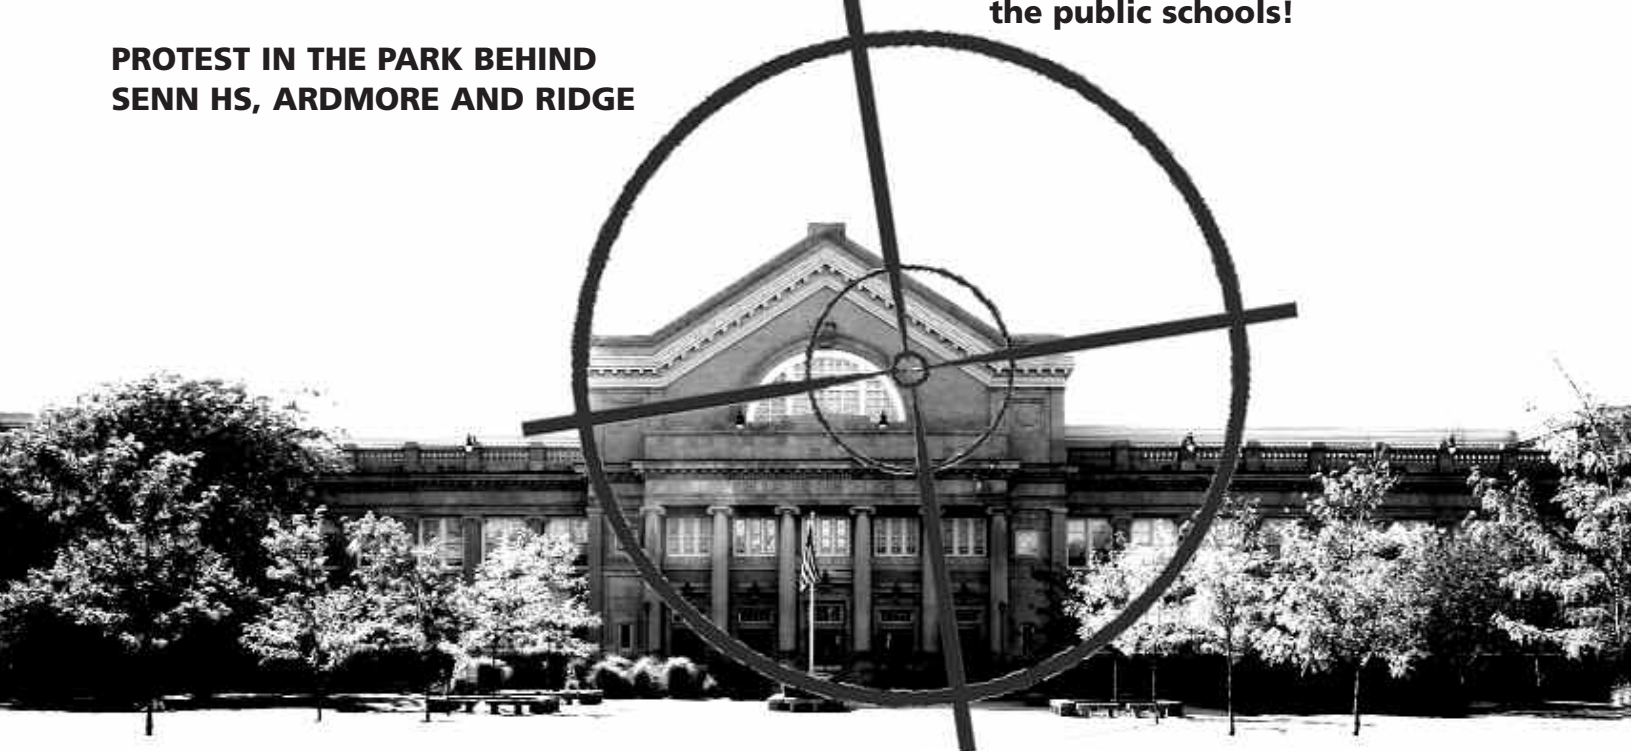

Join members of the Senn community, veterans and Gold Star family members for a protest at Senn High School. The event will feature the nationally recognized Eyes Wide Open exhibit of soldiers' boots.

We say no to military programs in the schools like the Rickover Naval Academy (RNA) that has been forced into Senn High School, despite the opposition of the community, parents, teachers, students and others.

We say money for teaching critical thinking, not training in killing.

We say, "RNA, Float Away!"

We say no to the militarization of the public schools!

Organized by the Save Senn Coalition.
